language and communication, as well as the methods of analysis used by those who work in this field. It also considers the complexity of language by examining various theories about how children acquire language. The fact that small children learn language in a relatively short period of time indicates that people may have innate language capabilities.

### **An Introduction to Language by Victoria A. Fromkin**

The possession of language, perhaps more than any other attribute, distinguishes humans from other animals. To understand our humanity, one must understand the nature of language that makes us human. According to the philosophy expressed in the myths and religions of many peoples, language is the source of human life and power.
