

fundamental reform of corporate pdf

for corporate tax reform and considering some alternatives to existing corporate income taxes. In discussing options for fundamental reform, we try to address two sets of concerns. The

The corporate income tax: international trends and options

The corporate tax-induced distortions are discussed from a domestic and international tax point of view. This study also considers tax revenue and tax complexity issues. The book also explains a series of alternative systems that might be implemented.

OECD iLibrary | Fundamental Reform of Corporate Income Tax

Proponents of fundamental tax reform in the United States claim that tax reform would increase saving and investment (see, e.g., the analysis in Auerbach, 1996) and create a simpler tax system (see, e.g., the analysis in Slemrod and Bakija, 1996).

Fundamental Tax Reform and Corporate Financial Policy

Presents the recent trends in the taxation of corporate income in OECD countries, discusses the main drivers of corporate income tax reform and evaluates the gains of fundamental corporate tax reform.

reform on corporate tax planning and summarize economists' knowledge of the magnitude of these different effects. "Fundamental tax reform" is a broad term that encompasses a wide

Fundamental Tax Reform and Corporate Financial Policy

tax reform will result in an estimated state corporate tax base increase averaging 12% for the first ten years, with a range generally between 7% and 14% in individual states. COST has included as a preface to the EY Study a set of Principles to guide states in their conformity with federal corporate income tax reform.

The Impact of Federal Tax Reform on State Corporate Income

This paper describes the effects of fundamental tax reform on corporate tax planning and summarizes economists' knowledge of the magnitude of these effects. We analyze both income tax reform, consisting of integrating the corporate and personal income taxes, and moving to a broad-based consumption tax.
