Chapter 5, Basic and Clinical Pharmacology, 9th edition. Read the first section on Read the first section on p. 64, and the section entitled "The Food & Drug Administration" on pp. 69-71.

Introduction To Pharmacology - University of California

Emphasizing safe and effective drug administration, Introduction to Clinical Pharmacology, 8th Edition helps you understand the principles of pharmacology and avoid making medication errors. It promotes safety by showing how drugs and drug classes work, rather than asking you to simply memorize information about individual drugs, so you can understand why drugs are given, as well as when they should and should not be given.
