

intuition knowing beyond logic pdf

Intuition deals with the difference between the intellectual, logical mind and the more encompassing realm of spirit. Logic is how the mind knows reality, intuition is how the spirit experiences reality. Osho's discussion of these matters is wonderfully lucid, occasionally funny, and thoroughly engrossing.

The world needs a tremendous rebellion that can take it beyond intellect into the silences of intuition. The very word intuition has to be understood. You know the word tuition--tuition comes from outside, somebody teaches you, the tutor. Intuition means something that arises within your being; it is your potential, that's why it is called intuition. Wisdom is never borrowed, and that which is borrowed is never wisdom.
