The pitch is the essence of modern business. In pitching for new business, ideas and emotional intelligence dominate. And the skills of the pitch can also apply to just about every significant personal transaction in your life.

### **Life's a Pitch: How to Sell Yourself and Your Brilliant**

Authors definitely have to pitch. You pitch agents, publishers and industry professionals. Ultimately, you are pitching readers and followers of your work. This is a skill many authors lack and need to know more about. This book is aimed at business professionals but we can all learn a lot from it. I read a lot of non-fiction marketing and business books, and this is one that stood out for a ...
