Add tags for "Living with the stars : how the human body is connected to the life cycles of the Earth, the planets, and the stars". Be the first.

Living with the stars : how the human body is connected to

Living With The Stars, as far as it goes, still provides more than an interesting perspective, and Karel and Iris Schrijver do largely tell what they cover in an easy-to-read style. Their prose is unencumbered with references as, as the authors themselves point out, readers can easily use a search engine to instigate their own personal lines of further enquiry.

Review of Living With the Stars by Karel Schrijver & Iris
