The match was not with a doll and creature not much worse than "alien" from the movie, and gradually increasing in size. Moreover, Kunz even took into account the difference in weight between "doll" and man, he mentioned it and creates a believable duel, taking into account possible objections of the rationalists.

Tick Tock | Dean Koontz

Ticktock (1996) is a novel by Dean Koontz. It is significantly out-of-genre for Koontz: after a typical horror opening, the tone of the plot changes to screwball comedy [1] and the humour increases steadily to the end.

Ticktock (novel) - Wikipedia

Tick Tock was a book I had read like 15 years ago and I had recalled enjoying it a lot so I gave it five stars. I remember there being a doll that morphs into a monster that chases the main character around and my memory seemed to recall that it was one of the best Koontz books I'd read at the time.
